Education

University of Florida Aug. 2025-Present
PhD - Computer Science, GPA: 4.0

Indiana University Purdue University in Indianapolis (IUPUI) Aug. 2022 – Dec. 2023
M.S. – Computational Data Science, GPA: 4.0

Indiana University Purdue University in Indianapolis (IUPUI) Aug. 2019 – May 2022
B.S. – Double major in Applied Statistics and Computer Science, GPA: 3.99
IUPUI Honors College

Research Interests

Machine Learning, Unsupervised/Representation Learning, Identifiability, Bayesian Statistics, Spatio-Temporal Machine Learning, Sound Source Localization

Employment

University of Florida Aug. 2025 - Present
Graduate Research Assistant to Dr. Kejun Huang

Allstate Insurance Company Jan. 2024 - Aug. 2025
Data Scientist - Telematics pricing attribute research and data mining of GPS trails.

Allstate Insurance Company May 2022 - Aug. 2022 & May 2023 - Aug. 2023
Data Science Intern

IUPUI Department of Computer Science Oct. 2021 – Dec. 2023
Research Assistant to Dr. George Mohler

IUPUI Department of Mathematics Jun. 2021 – May 2022
Undergraduate Research Assistant to Dr. Luoding Zhu

> Part of the result appears in

> **Manring, I.**, Zhu, L., & Barber, J. (2022). 7th International Conference on Computational and Mathematical Biomedical Engineering. In SIMULATION OF FLOW-OSTEOCYTE INTERACTION IN A LACUNO-CANALICULAR NETWORK (1st ed., Vol. 2, pp. 683–686). Milan; Computational and scientific consultancy services Ltd.

Teaching

IUPUI Teaching Assistant

Computing I (CSCI 23000)	Spring 2021
Computing 2 (CSCI 24000)	Spring 2020, Fall 2020
Principles of Software Design (CSCI 36300)	Fall 2021

UF Teaching Assistant

Numerical Analysis (COT 4501)	Spring 2026
Abstract Algorithms (COT 4533)	Fall 2026
Math for Intelligent Systems (COT 5615)	Fall 2026

IUPUI Math Assistance Center Jan. 2020 – Oct. 2021
Tutored for Statistics, Multivariate Calculus, and Differential Equations

Honors and Awards

Top 100 in IEEEXTREME worldwide (2,992 participants) and 2nd in US

Chancellor's Scholarship, Dean of Science Scholarship recipient, and Anna K Suter Scholarship.

Dean's List fall 2019, spring 2020. Science Scholar's list fall 2020 to spring 2022

IUPUI French Department, 2019-2020 Top Scholar in French award

Outstanding Senior in Applied Statistics award.

Professional Activities

Reviewer for: ICML 2026, NeurIPS 2026, Transactions Signal Processing 2026, Spatial Statistics

Technical Skills

Technologies: AWS Certified Cloud Practitioner, Linux

Programming Languages and Packages: Python, Pytorch, PySpark, Pandas, GeoPandas, R, Julia, SQL, C++, Django
